Dear Kishan,

We are pleased to inform you that your welcome kit has been packed and is ready for dispatch. The kit has been prepared based on the preferences you provided in your welcome kit form.

Your kit is now awaiting pickup by our courier partner, which typically takes 2-4 business days. Once the shipment has been picked up, we will share the tracking details with you.

Track on Employee Portal

You may also access the portal by pasting the following link into your browser:
